To Whom It May Concern:

The Statewide Transportation Improvement Program (STIP) is a financially constrained document required to show planned Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) expenditures for federal fiscal years 2016-2021. One of the requirements to funding any project with FHWA or FTA funds is that each proposed project undergoes a public "review and comment period." Therefore, additions or deletions to the STIP and certain changes to projects currently in the STIP must meet this requirement before federal funds can be obtained. Accordingly, I am again requesting your assistance in making available (to anyone who wishes to review them) the attached listing of proposed amendments to the approved 2016-2021 STIP.

All written comments are to be received no later than December 19, 2016, and should be addressed to:

**Mr. Robert L. Pennington, P. E.
Deputy State Highway Engineer –
Programming and Planning
West Virginia Division of Highways
Building 5, Room A-148
1900 Kanawha Boulevard, East
Charleston, West Virginia 25305-0430**

Thank you for your assistance with this matter. Should you need additional information, please feel free to contact my office at (304) 558-6233.

Very truly yours,

for Robert L. Pennington, P. E.
Deputy State Highway Engineer –
Programming and Planning
